WHAT CAN I DO?

Yes, Inside Your School!

Huntsville ISD has partnered with **Walker County Federal Credit Union** to facilitate a Student-Run Credit Union Branch at the high school campus.

Why?

To provide hands-on opportunities for students to learn how to manage their own money and experience the basics of smart money management in a safe environment.

How?

BPA students work at the Student-Run Credit Union Branch, under the direct supervision of WCFCU employees.

When?

WCFCU's Student-Run Credit Union "HORNET HIVE CREDIT UNION" is open every Monday, Wednesday and Friday from 10:30 am - 3:30 pm.

Where?

The Credit Union is located in the library by the career services office.

What if I need money when the student branch is closed?

You can access your accounts at WCFCU Monday - Friday, located at 1802 Normal Park Drive. To use the services of a credit union, you must be a member. This is done by opening a savings (also called a "share") account with a deposit of at least \$5. You can continue to save money and watch it grow through deposits and dividends earned. As long as you keep a \$5 balance you can remain a WCFCU member for life!
